

Heavy Duty Mechanic

The Red Chris mine is recruiting a Journeyman Heavy Duty Mechanic to join our Mine Maintenance Department. This position is for work at the remote Red Chris mine located 80 km south of Dease Lake, BC, in Tahltan traditional territory. The successful applicant will be required to work and stay in camp during their shift rotation. We offer a number of designated flight marshalling points within BC. Qualified applicants from the local communities are encouraged to apply.

RESPONSIBILITIES

Reporting to the Mine Maintenance Foreman, responsibilities include, but are not limited to:

- Diagnose and complete repairs on all company mobile equipment
- Demonstrate continuous effort to improve operations, decrease turnaround times, and streamline work processes
- Perform daily safety and maintenance checks
- Ability to work in an outdoor environment
- Mentor apprentices and PM Servicemen
- Use computer to input timesheets, materials, equipment information and work orders
- Practice workplace safety

QUALIFICATIONS AND EXPERIENCE

- BC or Interprovincial trade qualification in Heavy Duty Mechanics
- A minimum of 5 years related work experience
- PNH 2800 Rope Shovel and Pit Viper drill experience an asset
- Experience in mining operations is considered an asset
- Valid driver's license
- A team player that works well with others
- Strong oral and written communication skills

QUALIFIED APPLICANTS CAN SEND THEIR RESUME AND COVER LETTER TO:

Red Chris Development Company - email hr@redchrismine.ca

Please include position title in the subject line of email

Only applicants selected for an interview will be contacted.
