## Mount Polley Mine Operations Temporarily Suspended

Vancouver | **July 17, 2017** | **Imperial Metals Corporation** (the “Company”) (TSX:III) reports that due to the continuing forest fire situation, the Cariboo Regional District issued an Evacuation Order for the City of Williams Lake and surrounding areas. As a result of the Evacuation Order and increased restrictions on highway use in the area, Mount Polley mine operations were suspended on July 15. The mine is not under any immediate threat from forest fires.

Mount Polley will resume operations once the situation stabilizes.

---

### About Imperial

Imperial is a Vancouver based exploration, mine development and operating company. The Company, through its subsidiaries, owns the Red Chris, Mount Polley and Huckleberry copper mines in British Columbia. Imperial also holds a 50% interest in the Ruddock Creek lead/zinc property in British Columbia.

### Forward-Looking Information and Risks Notice

Forward-looking statements relate to future events or future performance and reflect Company management's expectations or beliefs regarding future events and include, but are not limited to, specific statements regarding suspension of Mount Polley mine operations until wildfires in the area are under control. By their very nature forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Such factors include, among others, risks detailed from time to time in the Company's interim and annual financial statements and management's discussion and analysis of those statements, all of which are filed and available for review on [sedar.com](http://sedar.com). Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements.
