SUMMARY OF THE RIGHTS OFFERING

Why are you reading this circular?

We are issuing transferable rights (the "**Rights**") to the holders of our outstanding Common Shares of record at the close of business on May 31, 2022 (the "**Record Date**"). The Rights entitle their holders to subscribe for Common Shares on the terms described in this circular. The purpose of this circular is to provide you with detailed information about your rights and obligations in respect of the offering of Rights (the "**Offering**"). This circular should be read in conjunction with the offering notice which you should have already received by mail.

What is being offered?

The Company will issue one Right for each one Common Share held.

Who is eligible to receive and exercise rights?

The Rights will be issued only to shareholders (the "**Eligible Holders**") resident in a province or territory of Canada and, the United States (subject to restrictions in certain states as set forth in the following paragraph) (collectively, the "**Eligible Jurisdictions**"). All jurisdictions other than the Eligible Jurisdictions are referred to in this circular as "**Ineligible Jurisdictions**".

This circular covers the offer and sale of the Common Shares issuable upon exercise of the Rights within the United States under the U.S. Securities Act of 1933, as amended (the "**U.S. Securities Act**"). Notwithstanding registration under the U.S. Securities Act, the securities or blue sky laws of certain states (including Arizona, Arkansas, California, Minnesota, Ohio, Utah, and Wisconsin) may not permit the Company to offer Rights and/or Common Shares in such states, or to certain persons in those states, or may otherwise limit the Company's ability to do so, and as a result the Company will treat those states as Ineligible Jurisdictions under the Offering. In these states, Rights may only be exercised by shareholders to which solicitations may be addressed without registration under the relevant state securities laws. ("**Eligible U.S. Institutions**"). Shareholders resident in, or that hold their securities for the account or benefit of any person in, any such jurisdiction that wish to determine if they are Eligible U.S. Institutions should contact the Company. Holders in, or that hold their securities for the account or benefit of any person in, such jurisdictions that are not Eligible U.S. Institutions will not be permitted to exercise their Rights ("**Ineligible U.S. Holders**") but may transfer the Rights outside of the United States in accordance with Regulation S under the U.S. Securities Act.

Shareholders will be presumed to be resident in the place shown on their registered address, unless the contrary is shown to our satisfaction. Neither the offering notice nor this circular is to be construed as an offering of the Rights, nor are the Common Shares issuable upon exercise of the Rights offered for sale in any jurisdiction outside of Eligible Jurisdictions or to shareholders who are residents of any jurisdiction other than the Eligible Jurisdictions (the "**Ineligible Holders**"). Instead, Ineligible Holders will be sent a letter advising them that their Rights will be held by Computershare Investor Services Inc. (the "**Depository**"), located at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 (the "**Subscription Office**"), who will hold such rights as agent for the benefit of all such Ineligible Holders. The letter will also describe the conditions that must be met, and the procedure that must be followed, in order for an Ineligible Holder to participate in the Offering. Neither the rights offering notice

nor this circular is to be constructed as an offering of the Common Shares issuable upon exercise of the Rights to any Ineligible U.S. Holder

What does one right entitle you to receive?

You are entitled to subscribe for 0.125 Common Shares for every one Right held upon payment of the Subscription Price for each one Common Share (called the "**Basic Subscription Privilege**"). No fractional Common Shares will be issued. Where the exercise of Rights would appear to entitle a holder of Rights to receive fractional Common Shares, the holder's entitlement will be reduced to the next lowest whole number of Common Shares.

If you exercise your Basic Subscription Privilege in full, you will also be entitled to subscribe pro rata for Common Shares (the "**Additional Common Shares**") not otherwise purchased, if any, pursuant to the Basic Subscription Privilege (called the "**Additional Subscription Privilege**").

What is the Subscription Price?

\$3.04 per Common Share (the "**Subscription Price**").

When does the offer expire?

2:00 p.m. (Pacific Daylight Time) on June 24, 2022 (the "**Expiry Time**").

What are the significant attributes of the rights issued under the rights offering and the securities to be issued upon the exercise of the rights?

The Rights are transferable securities within Canada that entitle their holders to subscribe for Common Shares on the terms described in this circular.

The Rights may not be transferred to any person within the United States. Holders of Common Shares in the United States who receive Rights may transfer or resell them only in transactions outside of the United States in accordance with Regulation S under the U.S. Securities Act, which generally will permit the resale of the Rights through the facilities of the Toronto Stock Exchange (the "**TSX**") provided that the offer is not made to a person in the United States, neither the seller nor any person acting on its behalf knows that the transaction has been prearranged with a buyer in the United States, and no "directed selling efforts", as that term is defined in Regulation S under the US Securities Act, are conducted in the United States in connection with the resale. Certain additional conditions are applicable to the Corporation's "affiliates", as that term is defined under the U.S. Securities Act. In order to enforce this resale restriction, holders thereof will be required to execute a declaration certifying that such sale is being made outside the United States in accordance with Regulation S under the U.S. Securities Act. Any person within the United States that acquires the Rights through the facilities of the TSX or otherwise, other than pursuant to the initial distribution of Rights by the Company, may be unable to exercise such Rights in accordance with the U.S. Securities Act or applicable securities laws of any state of the United States. The Company reserves the right to reject any such exercise of the Rights by a person within the United States that subsequently acquires the Rights and the acquisition of the Rights by such person within the United States does not constitute an offer of the underlying Common Shares to such person.

We are authorized to issue an unlimited number of Common Shares, of which 141,395,941 are issued and outstanding as at the date hereof. Holders of Common Shares are entitled to dividends if, as and when declared by our directors, to one vote per share at meetings of our shareholders and, upon liquidation, to receive such assets of the Company as are distributable to the holders of the Common Shares.

What are the minimum and maximum number or amount of Common Shares that may be issued under the rights offering?

The Offering is not subject to a minimum subscription. The maximum number of Common Shares that may be issued pursuant to the Offering is 17,674,492 (the "**Maximum Offering**").

Where will the rights and the securities issuable upon the exercise of the rights be listed for trading?

The Common Shares are listed on the TSX under the trading symbol "III".

The Rights will trade on the TSX under the trading symbol "III.RT.A" until 9:00 a.m. (Pacific Daylight Time) on June 24, 2022.

FORWARD-LOOKING STATEMENTS

This circular contains "forward-looking information" within the meaning of applicable Canadian securities legislation and "forward-looking statements" within the meaning of the United States Private Securities Litigation Reform Act of 1995 (collectively, "forward-looking statements"). In certain cases, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", or "believes", or variations or the negative of such words and phrases, or statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved" or the negative of these terms or comparable terminology. Forward-looking statements in this circular include, without limitation, statements with respect to: the estimated costs of the Offering; the net proceeds to be available upon completion of the Offering; our working capital requirements over the next twelve months; and the use of proceeds from the Offering.

Forward-looking statements in this circular are subject to a number of risks and uncertainties that may cause the Company's actual results to differ materially from those discussed in the forward-looking statements and, even if such actual results are realized or substantially realized, there can be no assurance that they will have the expected consequences to, or effects on, the Company. Risk factors that could cause actual results or events to differ materially from those expressed in the forward-looking statements include, among other things: uncertainties relating to the cost of completing the Offering; delays in obtaining or failure to obtain required approvals to complete the Offering; and risks that could cause the Company to allocate the proceeds of the Offering in a manner other than as disclosed in this circular, including all of the risks related to the Company's business, financial condition, results of operations and cash flows.

Please refer to our most recently filed Annual Information Form and management's discussion and analysis for the year ended December 31, 2021 and the three months ended March 31, 2022 in respect of material assumptions and risks related to our business financial condition, results of operations and cash flows.

The material factors and assumptions used to develop the forward-looking statements in this circular include: management's expectations regarding the cost of completing the Offering; that no unforeseen events will affect the Company's existing working capital; that the Company's working capital requirements over the next twelve months will be substantially as projected; and that current plans and expected metal prices and exchange rates will proceed in accordance with or remain within range of management's expectations.

Any forward-looking statements in this circular are stated as of the date of this document and the Company does not intend, and does not assume any obligation, to update such forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events unless required to do so by applicable laws.

USE OF AVAILABLE FUNDS

What will our available funds be upon the closing of the rights offering?

The Company estimates that it will have the following funds available after giving effect to the Offering:

		Assuming 15% of the Offering	Assuming 50% of Offering	Assuming 75% of Offering	Assuming 100% of Offering
A	Amount to be raised by this offering	\$8,059,568	\$26,865,228	\$40,297,842	\$53,730,456
B	Selling commissions and fees	\$Nil	\$Nil	\$Nil	\$Nil

C	Estimated offering costs (e.g., legal, accounting, audit)	\$250,000	\$250,000	\$250,000	\$250,000
D	Available funds	\$7,809,568	\$26,615,228	\$40,047,842	\$53,480,456
E	Additional sources of funding required	\$Nil	\$Nil	\$Nil	\$Nil
F	Working capital as of March 31, 2022	\$(44,107,000)	\$(44,107,000)	\$(44,107,000)	\$(44,107,000)
G	Total	\$(36,297,432)	\$(17,491,772)	\$(4,059,158)	\$9,373,456

The change in working capital of (\$19,060,000) at December 31, 2021 to (\$44,107,000) at March 31, 2022 was due to an additional increase in our credit facility of \$50,000,000 and subsequent draw downs to fund the restart of the Mount Polley mine and to fund capital expenditures at the Red Chris mine.

How will we use the available funds?

The following table below provides a detailed breakdown of how the Company will use its available funds, including those received pursuant to the Offering.

Description of intended use of available funds listed in order of priority	Assuming 15% of the Offering	Assuming 50% of Offering	Assuming 75% of Offering	Assuming 100% of Offering
Capital expenditures	\$Nil	\$Nil	\$Nil	\$5,000,000
General working capital purposes	\$Nil	\$Nil	\$Nil	\$4,373,456
Total	\$Nil	\$Nil	\$Nil	\$9,373,456

The Company intends to use all of the proceeds from the Rights Offering to pay down its existing credit facility and will make subsequent draw downs to fund capital expenditures at the Red Chris mine and for general working capital purposes. Included within the category "general working capital purposes" are general working capital requirements for all of the Company's business operations, general corporate and administrative activities and exploration activities. The funds currently drawn under the credit facility were used to fund the restart of the Mount Polley mine and to fund capital expenditures at Red Chris mine.

The allocation of the net proceeds of the Offering may be adjusted within the stated categories of expenditures above depending on, among other things, timing of availability of equipment and services, and general political and market conditions. Further, while the Corporation intends to spend the available funds as set forth above, there may be circumstances where, for sound business reasons, a reallocation of the available funds may be necessary. In any event, the available funds will be used by the Corporation in furtherance of its business. See "Forward-Looking Information" above.

We intend to spend the available funds as stated. We will reallocate funds only for sound business reasons.

How long will the available funds last?

The Company believes that the combination of cash on hand, proceeds from the Offering, cash flow from current operations and funds from additional financing relating to the restart of Mount Polley will be sufficient to finance the Company's cash requirements through the next 12 months. As disclosed above, a significant amount of the proceeds of the Offering are intended to be used for capital expenditures at the Red Chris mine and general working capital purposes. The period of time that available funds will last is highly dependent on copper and gold prices and production at both the Red Chris and Mount Polley mine.

See "Risk Factors" in the Company's management's discussion and analysis for the audited consolidated annual financial statements for the year ended December 31, 2021 and "Risk Factors" in the Company's management's discussion and analysis for the unaudited condensed consolidated interim financial statements for the three months ended March 31, 2022. See also "Forward-Looking Information" above.

All questions as to the validity, form, eligibility (including time of receipt) and acceptance of any exercise will be determined by the Company in its sole discretion, and any determination by the Company will be final and binding on the Company and its security holders. Any subscription for Common Shares will be irrevocable once submitted and subscribers will be unable to withdraw their subscriptions for Common Shares once submitted. The Company reserves the right to reject any subscription if it is not in proper form or if the acceptance thereof or the issuance of Common Shares pursuant thereto could be unlawful. The Company also reserves the right to waive any defect in respect of any particular subscription. Neither the Company nor the Depository is under any duty to give any notice of any defect or irregularity in any exercise, nor will they be liable for the failure to give any such notice.

How does a security holder that is not a registered holder participate in the rights offering?

You are a beneficial Eligible Holder if you hold your Common Shares through a securities broker or dealer, bank or trust company or other participant (each, a "**Participant**") in the book-based system administered by CDS Clearing and Depository Services Inc. ("**CDS**") or The Depository Trust Company ("**DTC**"). The total number of Rights to which all beneficial Eligible Holders as at the Record Date are entitled will be issued to CDS or DTC and will be deposited with CDS or DTC following the Record Date. We expect that each beneficial Eligible Holder will receive a confirmation of the number of Rights issued to it from its Participant in accordance with the practices and procedures of that Participant. CDS or DTC will be responsible for establishing and maintaining book-entry accounts for Participants holding Rights.

Neither we nor the Depository will have any liability for (i) the records maintained by CDS or DTC or Participants relating to the rights or the book-entry accounts maintained by them, (ii) maintaining, supervising or reviewing any records relating to such rights, or (iii) any advice or representations made or given by CDS or DTC or Participants with respect to the rules and regulations of CDS or DTC or any action to be taken by CDS or DTC or Participants.

1. to exercise your rights held through a Participant, you must instruct such Participant to exercise all or a specified number of such Rights, and forward to such Participant, the Subscription Price for each Common Share that you wish to subscribe for;
2. you may subscribe for Additional Common Shares pursuant to the Additional Subscription Privilege by instructing such Participant to exercise the Additional Subscription Privilege in respect of the number of Additional Common Shares you wish to subscribe for, and forwarding to such Participant the Subscription Price for such Additional Common Shares requested.

Any excess funds will be returned to the relevant Participant for the account of the beneficial holder, without interest or deduction.

Who is eligible to receive the rights?

Registered holders of Rights

The Rights are being offered to shareholders of the Company resident in Eligible Jurisdictions. Shareholders will be presumed to be resident in the place of their registered address, unless the contrary is shown to the satisfaction of the Company. This circular is not to be construed as an offering of the Rights, nor are the Common Shares issuable upon exercise of the Rights offered for sale, in any jurisdiction outside the Eligible Jurisdictions or to shareholders who are residents of any jurisdiction other than the Eligible Jurisdictions.

Ineligible Holders who are registered holders of their Common Shares will be sent a letter advising them that their Rights DRS Advices will be issued to, and held on their behalf by, the Depository and a form of representation letter (the "**Representation Letter**"). The Representation Letter will set out the conditions required to be met, and procedures that must be followed, in order for an Ineligible Holder to participate in the Offering.

Rights DRS Advices in respect of Rights issued to registered Ineligible Holders will be issued to and held by the Depository as agent for the benefit of Ineligible Holders. The Depository will hold the Rights until 5:00 p.m. (Pacific Time) on June 17, 2022 (the "**Qualification Deadline**") in order to provide Ineligible Holders an opportunity to claim a Rights DRS Advice by satisfying us that the issue of Common Shares pursuant to the exercise of Rights will not be in violation of the laws of the applicable jurisdiction. Following such date, the Depository, for the account of registered Ineligible Holders, will, prior to the Expiry Time, attempt to sell the Rights of such registered Ineligible Holders represented by Rights DRS Advices in the possession of the Depository on such date or dates and at such price or prices as the Depository determines in its sole discretion. No charge will be made for the sale of Rights by the Depository except for a proportionate share of any brokerage commissions incurred by the Depository and the costs of or incurred by the Depository in connection with the sale of the rights. Registered Ineligible Holders will not

be entitled to instruct the Depository in respect of the price or the time at which the rights are to be sold. The Depository will endeavor to effect sales of Rights on the open market and any proceeds received by the Depository with respect to the sale of Rights net of brokerage fees and costs incurred and, if applicable, the Canadian tax required to be withheld, will be divided on a pro rata basis among such registered Ineligible Holders and delivered by mailing cheques (in Canadian funds) of the Depository therefor as soon as practicable to such registered Ineligible Holders at their addresses recorded on the Company's books. Amounts of less than \$10.00 will not be remitted. The Depository will act in its capacity as agent of the registered Ineligible Holders on a best efforts basis only and we and the Depository do not accept responsibility for the price obtained on the sale of, or the inability to sell, the Rights on behalf of any registered Ineligible Holder.

Beneficial holders of Rights

CDS Participants receiving Rights on behalf of Ineligible Holders will be instructed by CDS not to permit the exercise of such Rights unless the holder has completed a Representation Letter. After the Qualification Deadline, CDS Participants should attempt to sell the Rights of Ineligible Holders for the accounts of such holders and should deliver any proceeds of sale to such holders.

Beneficial owners of Common Shares registered in the name of a resident of an Ineligible Jurisdiction, who are not themselves resident in an Ineligible Jurisdiction, who wish to receive Rights and who believe that their Rights DRS Advices may have been delivered to the Depository, should contact their broker at the earliest opportunity to request to have their Rights DRS Advices mailed to them.

The Rights and the Common Shares issuable on the exercise of the Rights have not been qualified for distribution in any Ineligible Jurisdiction and, accordingly, may only be offered, sold, acquired, exercised or transferred in transactions not prohibited by applicable laws in Ineligible Jurisdictions. Notwithstanding the foregoing, persons located in certain Ineligible Jurisdictions may be able to exercise the Rights and purchase Common Shares provided that they furnish the Representation Letter satisfactory to the Company on or before the Qualification Deadline. The form of Representation Letter will be available from the Company or the Depository upon request. Beneficial owners of Rights or Common Shares should contact their broker to obtain the Representation Letter. A holder of Rights in an Ineligible Jurisdiction holding on behalf of a person resident in an Eligible Jurisdiction may be able to exercise the Rights provided the holder certifies in the Representation Letter that the beneficial purchaser is resident in an Eligible Jurisdiction and satisfies the Company that such subscription is lawful and in compliance with all securities and other applicable laws.

U.S. Shareholders

The Company has filed with the SEC in the United States a Registration Statement on Form F-7 under the U.S. Securities Act (the "**Registration Statement**") so that the Common Shares issuable upon the exercise of the Rights will not be subject to transfer restrictions. Notwithstanding registration under the U.S. Securities Act, the securities or blue sky laws of certain states (including Arizona, Arkansas, California, Minnesota, Ohio, Utah and Wisconsin) may restrict exercise of the Rights. In those states, Rights may only be exercised by shareholders to which solicitations may be addressed without registration under the relevant state securities laws ("**Eligible U.S. Institutions**"). Shareholders resident in, or that hold their securities for the account or benefit of any person in, any such jurisdiction any such jurisdiction that wish to determine if they are Eligible U.S. Institutions should contact the Company, Attention Darb Dhillon, telephone 604-488-2658. Holders in, or that hold their securities for the account or benefit of any person in, any such jurisdiction that are not Eligible U.S. Institutions will not be permitted to exercise their Rights but may transfer the Rights outside of the United States in accordance with Regulation S under the U.S. Securities Act as described below

The Rights may not be transferred to a person within the United States and may be transferred only in transactions outside of the United States in accordance with Regulation S under the U.S. Securities Act, which will permit the resale of the Rights by persons through the facilities of the TSX, provided that the offer is not made to a person in the United States, neither the seller nor any person acting on its behalf knows that the transaction has been prearranged with a buyer in the United States, and no "directed selling efforts", as that term is defined in Regulation S under the U.S. Securities Act, are conducted in the United States in connection with the resale. Certain additional

conditions are applicable to the Company's "affiliates", as that term is defined under the U.S. Securities Act. In order to enforce this resale restriction, holders thereof will be required to execute a declaration certifying that such sale is being made outside the United States in accordance with Regulation S under the U.S. Securities Act, which is included as part of Form 3. Any person within the United States that acquires the Rights through the facilities of the TSX or otherwise, other than pursuant to the initial distribution of Rights by the Company, may be unable to exercise such Rights in accordance with the U.S. Securities Act or applicable securities laws of any state of the United States. The Company reserves the right to reject any such exercise of the Rights by a person within the United States that subsequently acquires the Rights and the acquisition of the Rights by such person within the United States does not constitute an offer of the underlying Common Shares to such person.

What is the Additional Subscription Privilege and how can you exercise this privilege?

Registered holders of Rights

If you exercise all of your Rights under the Basic Subscription Privilege, you may subscribe for additional Common Shares that have not been subscribed and paid for pursuant to the Basic Subscription Privilege (the "**Additional Common Shares**") pursuant to the Additional Subscription Privilege. If you wish to exercise the Additional Subscription Privilege, you must first exercise your Basic Subscription Right in full by completing Form 1 on the Rights Subscription Form for the maximum number of Common Shares that you may subscribe for and also complete Form 2 on the Rights Subscription Form, specifying the number of Additional Common Shares desired. Send the purchase price for the Additional Common Shares under the Additional Subscription Privilege with your Rights Subscription Form and Rights DRS Advice to the Depository. The purchase price is payable in Canadian funds by certified cheque, bank draft or money order payable to the order of Computershare Investor Services Inc. These funds will be placed in a segregated account pending allocation of the Additional Common Shares, with any excess funds being returned by mail without interest or deduction. Interest, if any, earned on such funds will be for our benefit.

If the aggregate number of Additional Common Shares subscribed for by those who exercise their Additional Subscription Privilege is less than the number of available Additional Common Shares, each such holder of rights will be allotted the number of Additional Common Shares subscribed for under the Additional Subscription Privilege.

If the aggregate number of Additional Common Shares subscribed for by those who exercise their Additional Subscription Privilege exceeds the number of available Additional Common Shares, each such holder of rights will be entitled to receive the number of Additional Common Shares equal to the lesser of:

1. the number of Additional Common Shares subscribed for by the holder under the Additional Subscription Privilege; and
2. the product (disregarding fractions) obtained by multiplying the aggregate number of Additional Common Shares available through unexercised rights by a fraction, the numerator of which is the number of rights previously exercised by the holder and the denominator of which is the aggregate number of rights previously exercised by all holders of rights who have subscribed for Additional Common Shares under the Additional Subscription Privilege.

As soon as practicable after the Expiry Time, the Depository will mail to each holder of rights who completed Form 2 on the Rights Subscription Form, a statement for the Additional Common Shares which that holder has purchased and shall return to the holder any excess funds paid for the subscription of Additional Common Shares by such holder under the Additional Subscription Privilege, without interest or deduction.

Beneficial holders of Rights

If you are a beneficial holder of rights through a Participant in CDS and you wish to exercise your Additional Subscription Privilege, you must deliver your payment and instructions to the Participant sufficiently in advance of the Expiry Time to allow the Participant to properly exercise the Additional Subscription Privilege on your behalf.

How does a rights holder sell or transfer rights?

Registered Holders of Rights

The rights will trade on the TSX under the trading symbol "III.RT.A" until 9:00 a.m. (Pacific Daylight Time) on June 24, 2022. Holders of Rights DRS Advices not wishing to exercise their rights may sell or transfer them directly or through their securities broker or dealer at the shareholder's expense, subject to any applicable resale restrictions. Rights DRS Advices will not be issued and forwarded to Ineligible Shareholders. Holders of Rights DRS Advices may elect to exercise only a part of their rights and dispose of the remainder, or dispose of all of their rights. Any commission or other fee payable in connection with the exercise or any trade of rights is the responsibility of the holder of such rights. Depending on the number of rights a holder may wish to sell, the commission payable in connection with a sale of rights could exceed the proceeds received from such sale.

If you wish to transfer your rights, a Stock Power of Attorney form (the "**Transfer Form**") will need to be obtained from the Depository and completed, have the signature guaranteed by an "eligible institution" to the satisfaction of the Depository and deliver the Rights DRS Advice and Transfer Form to the transferee. For this purpose, eligible institution means a Canadian Schedule 1 chartered bank, a major trust company in Canada, a member of the Securities Transfer Agents Medallion Program, or a member of the Stock Exchange Medallion Program. Members of these programs are usually members of a recognized stock exchange in Canada or members of the Investment Industry Regulatory Organization of Canada.

It is not necessary for a transferee to obtain a new Rights DRS Advice to exercise the rights or the Additional Subscription Privilege, but the signature of the transferee on Forms 1 and 2 must correspond in every particular with the name of the transferee shown on the Transfer Form. If the Transfer Form is properly completed, the Company and the Depository will treat the transferee as the absolute owner of the Rights DRS Advice for all purposes and will not be affected by notice to the contrary. A Rights DRS Advice so completed should be delivered to the appropriate person in ample time for the transferee to use it before the expiration of the rights.

Beneficial holders of Rights

If you hold Common Shares through a Participant, you must arrange for the exercise, transfer or purchase of rights through that Participant.

U.S. Restriction

The Rights may not be transferred to a person within the United States and may be transferred only in transactions outside of the United States in accordance with Regulation S under the U.S. Securities Act, which will permit the resale of the Rights by a Rights holder through the facilities of the TSX, provided that the offer is not made to a person in the United States, neither the seller nor any person acting on its behalf knows that the transaction has been prearranged with a buyer in the United States, and no "directed selling efforts", as that term is defined in Regulation S under the U.S. Securities Act, are conducted in the United States in connection with the resale. Certain additional conditions are applicable to the Company's "affiliates", as that term is defined under the U.S. Securities Act. In order to enforce this resale restriction, a Rights holder thereof will be required to execute a declaration certifying that such sale is being made through the facilities of the TSX in accordance with Regulation S under the U.S. Securities Act.

When can you trade securities issuable upon the exercise of your rights?

The Common Shares are listed on the TSX under the trading symbol "III" and will be available for trading as soon as practicable after June 27, 2022.

Are there restrictions on the resale of securities?

Rights offered to holders in Canada and the Common Shares issuable on exercise of such Rights may be resold without hold period restrictions under the applicable Canadian securities laws, including through the facilities of the

TSX, by such holders provided that: (i) the sale is not by a "control person" of the Company; (ii) no unusual effort is made to prepare the market or create a demand for the securities being resold; (iii) no extraordinary commission or consideration is paid to a person or company in respect of the resale; and (iv) if the selling security holder is an insider or officer of the Company, the selling security holder has no reasonable grounds to believe that the Company is in default of securities legislation.

The Company has filed with the SEC in the United States the Registration Statement so that the Common Shares issuable upon the exercise of the Rights will not be subject to transfer restrictions in the United States. However, the Rights may be transferred only in transactions outside of the United States in accordance with Regulation S under the U.S. Securities Act. See "How does a rights holder sell or transfer rights? – U.S. Restriction" above.

Each holder is urged to consult their professional advisor to determine the exact conditions and restrictions applicable to the right to trade in securities.

Will we issue fractional underlying securities upon exercise of the rights?

No. Where the exercise of Rights would appear to entitle the holder of rights to fractional Common Shares, the holder's entitlement will be reduced to the next lowest whole number of Common Shares, and no cash or other consideration will be paid in lieu thereof.

APPOINTMENT OF DEPOSITORY
