IMPERIAL METALS CORPORATION

MANAGEMENT INFORMATION CIRCULAR

(information as at March 30, 2023 unless indicated otherwise)

This Information Circular accompanies the Notice of Annual General and Special Meeting (the “Meeting”) of the shareholders of Imperial Metals Corporation (the “Company”) to be held on Wednesday, May 24, 2023 at the time and place and for the purposes set out in the accompanying Notice of Meeting. This Information Circular is furnished in connection with the solicitation of proxies by management of the Company for use at the Meeting and at any adjournment(s) or postponement(s) of the Meeting.

It is expected that solicitations of proxies will be made primarily by mail and possibly supplemented by email, telephone or other personal contact by directors, officers and employees of the Company at nominal cost. The Notice of Meeting and form of proxy (the “**Proxy**”) together with a financial statement request form will be posted on the Company’s website as of April 11, 2023. The costs of solicitation will be borne by the Company. In this Information Circular, except where otherwise indicated, all dollar amounts are expressed in Canadian currency.

NOTICE-AND-ACCESS

The Company has elected to use the notice-and-access provisions (“**Notice-and-Access Provisions**”) for the Meeting pursuant to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) with respect to the mailing to its registered and non-registered (beneficial) shareholders. The Notice-and-Access Provisions allow the Company to post proxy-related materials both on SEDAR and a non-SEDAR website, rather than delivering the materials by mail. Shareholders will receive a Notice-and-Access notification, which will contain information on how to obtain electronic and paper copy of the Notice of Meeting, and the Proxy or voting instruction form along with a financial statement request form. Shareholders wishing to receive paper copies of the meeting materials may request copies by contacting 604-488-2659 or inquiries@imperialmetals.com.

The Company is not using procedures known as ‘stratification’ in relation to the Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Information Circular to some, but not all, shareholders with the Notice of Meeting.

RECORD DATE

The board of directors of the Company (the “**Board**”) has set the close of business on March 30, 2023, as the record date (the “**Record Date**”) for determining which shareholders of the Company shall be entitled to receive notice of and to vote at the Meeting. Only shareholders of record as of the Record Date are entitled to receive notice of and to vote at the Meeting, unless after the Record Date a shareholder of record transfers his, her or its Common Shares and the transferee (the “**Transferee**”), upon establishing that the Transferee owns such Common Shares, requests in writing, at least ten days prior to the Meeting or at any adjournment(s) or postponement(s) thereof, that the Transferee may have his, her or its name included on the list of shareholders entitled to vote at the Meeting. In such case, the Transferee, upon fulfilling the necessary requirements, will be entitled to vote such shares at the Meeting. Such written request by the Transferee shall be filed with the Corporate Secretary of the Company at Suite 200, 580 Hornby Street, Vancouver, British Columbia, Canada V6C 3B6.

PROXIES AND VOTING RIGHTS

Management Solicitation and Appointment of Proxies

Registered Shareholders

The persons named in the accompanying Proxy are nominees of the Company’s management. **A shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for and on the shareholder’s behalf at the Meeting other than the persons designated as proxyholders in the accompanying Proxy. To exercise this right, the shareholder must either:**

- (a) on the accompanying Proxy, insert the name of the shareholder's nominee in the blank space provided; or
- (b) complete another proper form of proxy.

To be valid, a Proxy must be signed by the shareholder or his or her legal personal representative. In the case of a corporation, the Proxy must be signed by a duly authorized representative of the corporation.

The completed Proxy, together with the power of attorney or other authority, if any, under which the Proxy was signed or a notarially certified copy of the power of attorney or other authority, must be received by Computershare Investor Services Inc. ("Computershare"), Attention: Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, by 2:00 pm (Pacific time) on May 19, 2023 or not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time that the Meeting is to be reconvened after any adjournment(s) or postponement(s) thereof. The Chairman of the Meeting has the discretion to accept proxies received after that time. Telephone voting can be completed at 1-866-732-VOTE (1-866-732-8683) and Internet voting can be completed at investorvote.com.

A registered shareholder or a Non-Registered Shareholder who has appointed themselves or a third party proxyholder to represent them at the Meeting, will appear on a list of shareholders prepared by Computershare (as defined below).

Non-Registered Shareholders

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered shareholders" because the shares they own are not registered in their name but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased their shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the "**Non-Registered Holder**") but which are registered either: (a) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs, TFSAs and similar plans); or (b) in the name of a depository (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant. In accordance with the requirements of applicable securities laws, the Company has elected to send copies of the Notice-and-Access notification, and the Proxy together with a financial statement request form (collectively, the "**Meeting Materials**") to the depositories and Intermediaries for onward distribution to Non-Registered Holders. The Meeting Materials for those shareholders with existing instructions on their account to receive printed materials will also include a printed copy of the Notice of Meeting.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

- a) be given a Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the Proxy, this Proxy is not required to be signed by the Non-Registered Holder when submitting the Proxy. In this case, the Non-Registered Holder who wishes to submit the Proxy should otherwise properly complete the Proxy and deliver it to the offices of the Company; or
- b) more typically, be given a voting instruction form which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a proxy authorization form) which the Intermediary must follow.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting, the Non-Registered Holder should strike out the names of the management proxyholders and insert the Non-Registered Holder's name in the blank space provided, or in the case of a proxy authorization form, follow the corresponding instructions on the form. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the Proxy or proxy authorization form is to be delivered.**

Non-Registered Holders who have not duly appointed themselves as proxyholders may attend the Meeting as guests. Guests will be able to listen to the Meeting but will not be able to vote or ask questions at the Meeting. This is because Computershare does not have a record of Non-Registered Holder of the Company and, as a result, will have no knowledge of shareholdings or entitlement to vote, unless the Non-Registered Holder appoints itself as proxyholder.

If you are a Non-Registered Holder and wish to vote at the Meeting, you must appoint yourself as proxyholder by inserting your own name in the space provided for appointing a proxyholder on the voting instruction form sent to you and follow all of the applicable instructions, including the deadline, provided by the intermediary/broker.

Attending the Meeting Online

Shareholders and duly appointed proxyholders can attend the Meeting online at meetnow.global/MJ69Q6T.

Registered shareholders and **duly appointed proxyholders** can participate in the Meeting by clicking “Shareholder” and entering a Control Number or an Invite Code before the start of the Meeting.

Shareholders who wish to appoint a third-party proxyholder to represent them at the virtual meeting **must submit their Proxy or voting instruction form (as applicable) prior to registering their proxyholder. Registering the proxyholder is an additional step once a shareholder has submitted their Proxy or voting instruction form. Appointment of a Third Party as Proxyholder

The following applies to shareholders who wish to appoint a person (a “**third party proxyholder**”) other than the management nominees set forth in the Proxy or voting instruction form as proxyholder, including non-registered shareholders who wish to appoint themselves as proxyholder to attend and participate at the Meeting.

Shareholders who wish to appoint a third-party proxyholder to represent them at the Meeting **must submit their Proxy or voting instruction form (as applicable) prior to registering their proxyholder. Registering the proxyholder is an additional step once a shareholder has submitted their Proxy/voting instruction form. Failure to register a duly appointed proxyholder will result in the proxyholder not receiving an Invite Code to participate in the Meeting.**

To register a proxyholder, shareholders **MUST** visit computershare.com/ImperialMetals by 2:00 pm Pacific time on May 19, 2023 and provide Computershare with their proxyholder’s contact information, so that Computershare may provide the proxyholder with an Invite Code via email.

Without an Invite Code, proxyholders will not be able to attend and vote at the Meeting.

Revocation of Proxies

A shareholder who has given a Proxy may revoke it at any time before the Proxy is exercised:

- a) by an instrument in writing that is:
 - (i) signed by the shareholder (or his or her attorney authorized in writing) or, where the shareholder is a corporation, a duly authorized representative of the corporation; and
 - (ii) delivered to Computershare Investor Services Inc. or to the registered office of the Company at 200 – 580 Hornby Street, Vancouver, British Columbia, V6C 3B6 at any time up to and including the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof, or delivered to the chairperson of the Meeting prior to the commencement of the Meeting; or
- b) in any other manner provided by law.

A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

Voting of Shares and Proxies and Exercise of Discretion by Proxyholders

If the Proxy is completed, signed and delivered to the Company, the person(s) named as proxyholders therein shall vote or withhold from voting the Common Shares in respect of which they are appointed as proxyholders at the Meeting in accordance with the instructions of the shareholder of the Company appointing them, on any ballot, and if the shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the person(s) appointed as proxyholder shall vote accordingly. The Proxy confers discretionary authority upon the person(s) named therein with respect to: (a) each matter or group of matters identified therein for which a choice is not specified; (b) any amendment to or variation of any matter identified therein; and (c) to transact such other business as may properly come before the Meeting or any adjournment(s) or postponement(s) thereof. As of the date of this Information Circular, the Board knows of no such amendments, variations or other matters to come before the Meeting, other than matters referred to in the Notice of Meeting. However, if other matters should properly come before the Meeting, the Proxy will be voted on such matters in accordance with the best judgment of the person(s) voting the Proxy.

If no choice is specified by a shareholder of the Company with respect to any matter identified in the Proxy or any amendment or variation to such matter, it is intended that the persons designated by management in the Proxy will vote the shares represented thereby in favour of such matter.

Corporate Cease Trade Orders or Bankruptcies

Mr. Yurkowski was a director of Chieftain Metals Corp. (“**Chieftain**”) from May 22, 2013 to September 1, 2016. On August 31, 2016, Chieftain and its wholly-owned subsidiary (Chieftain Metals Inc.) was served with an application by West Face Capital Inc., as agent for West Face Long Term Opportunities Global Master L.P., seeking the appointment of Grant Thornton Limited as receiver of all of the assets, undertakings and properties of Chieftain. On September 6, 2016, the Ontario Superior Court of Justice issued an order appointing Grant Thornton Limited as the receiver and manager of all the assets, undertakings and properties of Chieftain. On June 2, 2017, the Ontario Superior Court of Justice issued an order authorizing Grant Thornton Limited to file a proposal under the *Bankruptcy and Insolvency Act* (Canada) in respect of Chieftain and its wholly owned subsidiary.

Other than as described above, no proposed director of the Company is or has been, during the ten years preceding the date of this Information Circular, to the knowledge of the Company:

- (a) a director, chief executive officer or chief financial officer of any company that:
 - (i) was the subject of a cease trade or similar order or an order that denied such issuer access to any exemption under securities legislation that was in effect for a period of more than thirty consecutive days (an “**Order**”) that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
 - (ii) was subject to such an Order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer of the company that is the subject of the Order and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) a director or executive officer of any company that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold the assets of that company.

Individual Bankruptcies

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company's executive compensation program is administered by the Compensation Committee on behalf of the Board. The members of the Compensation Committee are all independent, non-management directors. The Compensation Committee is responsible for ensuring that the Company has in place an appropriate plan for executive compensation. The plan must be competitive and rewarding in order to attract, retain and motivate executives who will provide the leadership required to enhance the growth and profitability of the Company.

The Compensation Committee's overall policy for determining executive compensation is based on the following principles:

1. support the fundamental objective of maximizing long term shareholder value;
2. make performance the key determinant of pay for executive officers; and
3. establish clear management accountabilities for executive officers.

Executive compensation is comprised of several components: base salary, annual incentives which relate to specific accomplishments during the year and which are paid in cash and long term equity-based incentives in the form of stock options. To date, no specific formulae have been developed to assign a specific weighting to each of these components. The Company's compensation philosophy is to foster entrepreneurship at all levels of the organization by making long term equity-based incentives, through the granting of stock options, a significant component of executive compensation assuming the Company's common share price achieves good long term performance. The Compensation Committee uses third party compensation data to help determine appropriateness and competitiveness of its compensation program. The Compensation Committee reviews each component of executive compensation and, in addition, reviews total compensation for overall competitiveness.

The Company has not completed an assessment of the potential risks associated with the Company's compensation policies and practices. The Compensation Committee is responsible for annually reviewing the Company's compensation arrangements, as set out above, and may determine to undertake such an assessment during a later period.

The Company has not prohibited its executive officers or directors from purchasing financial instruments that are designed to hedge or off-set a decrease in market value of any securities of the Company granted as compensation or held, directly or indirectly, by an executive officer or director.

Base Salary

The Compensation Committee and the Board approve the salary ranges for all levels of the Company's employees. The Company believes that a competitive base salary is a necessary element of any compensation program that is designed to attract and retain talented and experienced executives. Base salaries for executives are determined by assessment of sustained performance and consideration of competitive compensation levels for the markets in which the Company operates. The Company uses third party compensation surveys (for mining and natural resource companies between 300 and 1,000 employees) to benchmark its base salary levels.

Salary increases for the named executive officers (the "Named Executive Officers" or "NEOs")¹ during the year ending December 31, 2022 averaged 7%.

Annual Incentives

The Compensation Committee believes that incentive compensation motivates individual performance to maximize shareholder value and aligns executive officer performance with the Company's objectives and shareholder interests. The Board has approved a bonus plan that is meant to increase corporate performance, profitability and shareholder value. Under the plan, cash payments are made when predetermined operational and financial targets are met. In addition, the Compensation Committee factors into the bonus its assessment of each executive officer's respective contribution to this achievement.

¹ For a further definition of the terms "Named Executive Officer" and "NEO", reference may be made to the section entitled "Summary Compensation Table" on page 12.

There are three elements used in determining the annual bonus (all excluding Huckleberry mine):

1. Financial target (33%) is defined as consolidated pretax cashflow from operations before bonus;
2. Operating target (33%) is comprised of three equally weighted elements: metal production in concentrate, mill throughput, and aggregate costs (Mount Polley and Huckleberry mines); and
3. Board discretion (34%), which provides the Board opportunity to evaluate the employee's performance.

The bonus calculation has two components, a target bonus and an extra bonus. The target bonus is payable for each bonus element if the targets for that bonus element are met. The extra bonus is payable if a bonus element target is exceeded.

66% of the target bonus is payable if the Company achieves its financial and operating targets. 34% of the target bonus is payable at Board discretion. No target bonus is payable on a bonus element if less than 80% of that target element is reached. The target bonus (other than the Board discretion component) is paid on a graduated scale commencing at 80% of the target and in full when the target element is met. Target elements are evaluated individually and aggregated to determine the overall contribution of that element toward the target bonus. Not all operating elements need to be achieved for payout under the operating target element.

The extra bonus is payable if the target element is exceeded on a graduated scale commencing at 100% of target up to 120% of target. The extra bonus is paid in full when 120% of the target element is achieved.

The maximum bonus payout as a percentage of their base salary for each NEO listed is as follows:

Brian Kynoch	75.00%
Darb Dhillon	52.50%
Don Parsons	52.50%
Randall Thompson	37.50%
James Miller-Tait	26.25%

Long Term Compensation (Option Grants)

The Company has a broadly-based employee stock option plan. The plan is designed to encourage stock ownership and entrepreneurship on the part of employees and, in particular, all executive officers. The plan aligns the interests of executive officers with shareholders by linking a significant component of executive compensation to the long term performance of the Company's common stock.

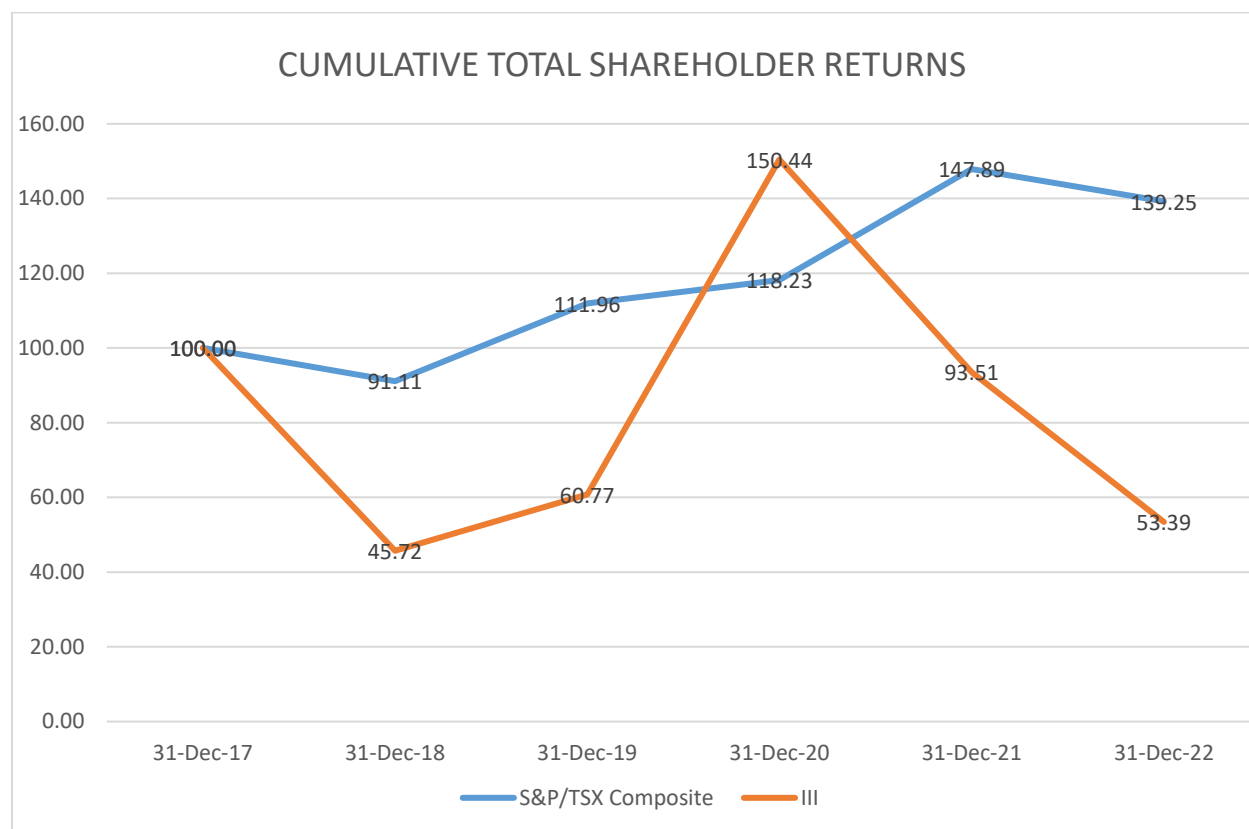

The President makes recommendations to the Compensation Committee regarding individual stock option based awards for all recipients. The Compensation Committee reviews the appropriateness of the stock option grant recommendations from the President for all eligible employees and accepts or adjusts these recommendations.

Previous stock option grants are taken into account when considering new option grants. Options are granted from time to time and vest over a three (3) or five (5) year period.

The Board is of the view that while fair compensation is an essential element of job satisfaction and performance, other elements such as employee recognition, inclusiveness, job ownership and autonomy, transparency and consistency are equally important and encourages loyalty and principled behavior.

Performance Graph

The following graph compares the cumulative total shareholder return on a \$100 investment in Common Shares of the Company to a \$100 investment in the S&P/TSX Composite Index (assuming the reinvestment of dividends), for the period from December 31, 2017 to December 31, 2022. The performance of the Common Shares as set out in the graph below does not necessarily indicate future price performance.

	31-Dec-17	31-Dec-18	31-Dec-19	31-Dec-20	31-Dec-21	31-Dec-22
S&P/TSX Composite	100.00	91.11	111.96	118.23	147.89	139.25
III	100.00	45.72	60.77	150.44	93.51	53.39

In the three (3) year period ended December 31, 2022, the NEO's cash compensation increased by 15.6%, the NEO's total compensation decreased by 22.6% and the Common Share price decreased by 64.5%. The Company purchases the shares in the market for delivery to the directors.

On December 1, 2015, the annual retainer for each non-management director was reduced to \$36,000 payable in Common Shares and a meeting fee of \$900 payable in cash for each Board or committee meeting attended.

CORPORATE GOVERNANCE

The Company is a reporting issuer in British Columbia, Saskatchewan, Ontario and Quebec. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires issuers to disclose the corporate governance practices that they have adopted. The following is a discussion of each of the Company’s corporate governance practices for which disclosure is required by NI 58-101.

Board of Directors

The Board considers that six (6) of the seven (7) current directors are independent according to the definition of “independence” set out in National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”). The six (6) directors considered independent are Dr. Anglin, Ms. North, Messrs. Lebel, Moeller, Veitch and Yurkowski.

Mr. Lebel, an independent director, is Chair of the Board and presides as such at each meeting. A description of the responsibilities of the Chair of the Board is available on the Company’s website at imperialmetals.com.

Mr. Kynoch, by virtue of his office as President of the Company, is not considered to be an independent director of the Company and the Board considers that a majority of the directors are independent according to the definition of “independence” set out in NI 52-110.

Meetings of independent directors are not regularly scheduled but communication among this group occurs on an ongoing basis as needs arise from regularly scheduled meetings of the Board. The number of these informal meetings has not been recorded, but it would not be less than five (5) in the fiscal year that commenced on January 1, 2022. The Board believes that adequate structures and processes are in place to facilitate the functioning of the Board with a level of independence of the Company’s Management.

The Board appointed Larry Moeller as Lead Director on May 19, 2010. The Lead Director facilitates the functioning of the Board independently of the Company’s management and is generally charged with the responsibility of maintaining and enhancing the quality of the Company’s corporate governance practices.

Term Limits and Representation of Women on the Board of Directors and Executive Officer Positions

There is currently one woman as an executive officer of the Company, representing 14% of all executive officers of the Company. The Company has not considered the level of representation of women in executive officer positions when making appointments for said positions because the Company believes that considering the broadest group of individuals who have the skills, knowledge, experience and character required to provide the leadership needed to achieve our business objectives, without reference to their age, gender, race, ethnicity or religion, is in the best interests of the Company and all of its stakeholders.

The Company has two female directors on the Board. The Company has not adopted term limits for the directors of the Company or a target number of women on the Board and women in executive officer positions; however, the Company has adopted a written policy relating to the identification and nomination of women directors (the “**Board Diversity Policy**”) because the Company believes that skills and backgrounds collectively represented on the Board should reflect the diverse nature of the business environment in which the Company operates.

The Company has not considered the level of representation of women on the Board in identifying and nominating candidates for election or re-election to the Board because the Company is committed to a merit based system for Board composition within a diverse and inclusive culture which solicits multiple perspectives and views and is free of conscious or unconscious bias and discrimination. When assessing Board composition or identifying suitable candidates for appointment or re-election to the Board, the Company will consider candidates on merit against objective criteria having due regard to the benefits of diversity and the needs of the Board. In addition, the Company will periodically assess the expertise, experience, skills and backgrounds of its directors in light of the needs of the Board, including the extent to which the current composition of the Board reflects a diverse mix of knowledge, experience, gender, skills and background.

While there is no formal corporate policy on ethical business conduct, the Company carries out its business in accordance with the rules and regulations of all regulatory agencies to which it is subject. This culture of compliance is stressed to all levels of management of the Company to ensure that business is conducted in an ethical and proper manner at all times.

The Board monitors adherence to high standards of conduct through disclosure and inquiry mechanisms. The number of Common Shares issuable under the Amended Plan and all other established or proposed share compensation arrangements of the Company to insiders of the Company is not to exceed 10% of the outstanding Common Shares. The number of Common Shares issued to insiders of the Company within any one (1) year period pursuant to the Amended Plan and all other established or proposed share compensation arrangements of the Company is not to exceed 10% of the outstanding Common Shares.

The stock options will be exercisable at a price fixed by the Committee at the time of grant that will not be less than the Market Price of the Common Shares on the last trading day immediately prior to the date of the grant. “Market Price”, on any date, will be the closing trading price of the Common Shares of the Company on the TSX (as reported by such exchange) on the date or, in the absence of a closing price on such date, on the most recent date (not exceeding 10 days) prior to such date or, if the Common Shares are not listed on the TSX, on such other stock exchange as the Committee may designate, and otherwise shall be as determined by the Committee, or such price allowed by the applicable regulatory body or exchange.

Options granted under the Amended Plan are exercisable for such term as may be determined by the Committee at the time of grant, subject to earlier termination after certain events such as the optionee’s cessation of service to the Company or death. The Amended Plan provides that if a stock option would otherwise expire during, or within five business days after the end of a trading black-out period imposed by the Company, the expiry date of that stock option will be extended to the day which is ten business days after the end of that trading black-out and empowering the Company to accelerate the termination of stock options in certain circumstances. The Committee, at its sole discretion, may determine the method of vesting, if any, of stock options granted under the Amended Plan. If an optionee ceases to be a director, officer, employee or consultant of the Company for any reason (other than death or retirement), the optionee may, but only within a period determined by the Committee of up to a maximum of 90 days after the optionee’s ceasing to be a director, officer, employee or consultant of the Company, exercise the stock option but only to the extent that the optionee was entitled to exercise it at the date of such cessation. If an optionee ceases to be a director, officer, employee or consultant of the Company by reason of his retirement from the Company, the optionee may exercise the stock option until its expiry date, but only to the extent that the optionee was entitled to exercise it at the date of such cessation. In the event of the death of an optionee, the stock options previously granted to such optionee shall be exercisable only within six months following the date of the death of the optionee or prior to the expiry date of such stock option, whichever is earlier, and then only by the person or persons to whom the optionee’s rights under the stock option shall pass by the optionee’s will or the laws of descent and distribution and if and to the extent that the optionee was entitled to exercise the stock option at the date of the optionee’s death.

Options granted under the Amended Plan are non-assignable and non-transferable without the prior written consent of the Company, which may be withheld in the Company's sole discretion.

The Company will not provide financial assistance to facilitate the exercise of stock options.

The Amended Plan does not provide for the Company to transform stock options into stock appreciation rights.

The Committee, subject to the prior approval of the Board and, if required, any stock exchange or other regulatory body having jurisdiction which may in turn require the approval of the shareholders of the Company, may discontinue the Amended Plan or amend the Amended Plan or any stock options. Notwithstanding the foregoing, the Committee, subject to the prior approval of the Board, is specifically authorized to amend the terms of the Amended Plan and the terms of any stock options, without obtaining shareholder approval, for, among others, the following purposes:

- (a) amendments of a housekeeping nature, including the correction or rectification of any ambiguities, defective or inconsistent provisions, errors, mistakes or omissions therein and those of a typographical, grammatical or clerical nature and updating provisions therein to reflect changes in governing laws, including tax laws, or to comply with the requirement of any regulatory authority;
- (b) changes to the vesting provisions;
- (c) changes to the manner of determining the Market Price;
- (d) a change to the termination provisions which does not entail an extension beyond the original expiry date;
- (e) any change to the eligible participants as optionees which would have the potential of broadening or increasing insider participation;
- (f) the addition of a deferred or restricted share unit or any other provision which results in optionees receiving securities while no cash consideration is received by the Company;
- (g) provide any form of financial assistance;
- (h) amend a financial assistance provision to be more favorable to the optionees;
- (i) add a cashless exercise feature, payable in cash or securities, whether or not the feature provides for a full deduction of the number of underlying Common Shares from the reserved Common Shares; and
- (j) any reduction in the exercise price or purchase price or the extension of the term of any stock option which benefits a non-insider of the Company.

However, no amendments to the Amended Plan may be approved by the Committee which:

- (i) increase the number of Common Shares reserved for issuance under the Amended Plan (including a change from a fixed maximum percentage of Common Shares to a fixed maximum number of Common Shares but excluding the reloading of securities after exercise);
- (ii) reduce the exercise price or purchase price or extend the term of any stock option which benefits an insider of the Company, which security holder approval must exclude the votes of securities held by the insiders benefiting from the amendment;
- (iii) change the manner of determining the exercise price so that the exercise price is less than the Market Price of the Common Shares on the last trading day immediately prior to the date of grant;
- (iv) increase the aggregate number of Common Shares in respect of which stock options have been granted and remain outstanding so that such number of Common Shares, when taken together with all of the Company's security based compensation arrangements then either in effect or proposed, shall at any time be such as to result in:
 - (A) the number of Common Shares reserved for issuance to insiders pursuant to stock options exceeding 10% of the issued and outstanding Common Shares;
 - (B) the issuance to insiders pursuant to stock options, within a one (1) year period, of a number of Common Shares exceeding 10% of the issued and outstanding Common Shares; or
- (v) result in an amendment to any provision of the Amended Plan which does not fall within sections (a) through (j) above,

without obtaining approval of the shareholders of the Company in accordance with the requirements of any stock exchange on which the Common Shares of the Company are listed for trading.

All stock options are subject to the applicable rules and regulations of all regulatory authorities and stock exchanges to which the Company is subject.

As at the end of December 31, 2022, there were an aggregate of 2,201,000 stock options outstanding under the Amended Plan, representing 1.42% of the then issued and outstanding Common Shares, and 13,288,634 stock options remained available for grant, representing 8.58% of the then issued and outstanding Common Shares of the Company.

Share Purchase Plan

On March 2, 2005, the Board established a Share Purchase Plan, which was approved by the Company's shareholders on May 16, 2005 (the "**Share Purchase Plan**").

Summary of the Share Purchase Plan

The Share Purchase Plan allows full-time employees of the Company and its subsidiaries who have been employed by the Company or any of its subsidiaries for at least six (6) consecutive months to purchase shares in the Company and receive from the Company an equal number of shares (the "**Company's Contribution**") over and above the shares purchased. The Share Purchase Plan is designed to allow participation by Company employees in the future growth of the Company. Employees must subscribe no later than December 1st of every year to commence contributions for the following calendar year. Currently, employees have the opportunity to contribute up to a maximum of 5% of their gross annual salaries excluding any overtime pay, bonuses or allowances of any kind.

Except with the further approval of the shareholders of the Company given by the affirmative vote of a majority of the votes cast at a meeting of the shareholders of the Company, excluding the votes of insiders of the Company and such insider's associates, the Company may not cause (a) the issuance or delivery to insiders of the Company, within a one (1) year period, of Common Shares under the Share Purchase Plan and the Amended Plan to exceed 10% of the outstanding issue; and (b) the issuance or delivery to any one insider of the Company and such insider's associates, within a one (1) year period, of shares under this Share Purchase Plan and the Amended Plan to exceed 5% of the outstanding issue.

The Company may issue shares from its treasury or purchase shares in the market for delivery to the participants under the Share Purchase Plan. The Common Shares issued or delivered to the participants will be deemed to have been issued at the greater of the closing price of the Common Shares on the TSX at the end of each pay period for that quarter and the weighted average trading price five days prior to the end of each pay period. All Common Shares issued or delivered to a participant in accordance with the Share Purchase Plan will be held in safekeeping by the Company and will be delivered, subject as provided in the Share Purchase Plan, to such participant upon the expiry of a period of 6 months following the date of issue of such Common Shares. The Company's Contribution will not exceed 400,000 Common Shares in any calendar year and will not exceed 2,000,000 Common Shares in the aggregate (representing 1.29% of the issued Common Shares of the Company at December 31, 2022). As at the end of December 31, 2022, the Company had 819,276 shares remaining available for grant under the Share Purchase Plan. This represents 0.53% of number of issued and outstanding Common Shares of the Company.

If a participant is no longer employed by the Company or its subsidiaries for any reason including termination or death, the participant will be deemed to be no longer a participant in the Share Purchase Plan and (i) any portion of the participant's contribution held in trust for the participant for that quarter will be paid to the participant or the estate of the participant or successor, as applicable; and (ii) any portion of the Company's Contribution then held in trust for the participant for that quarter when termination of employment occurs will be paid to the Company. All benefits, rights and options accruing to any participant in accordance with the Share Purchase Plan are generally not transferable. During the lifetime of a participant, all benefits, rights and options can only be exercised by the participant.

Burn Rate

The Share Purchase Plan burn rate for each of the three most recently completed financial years is:

2022	0%
2021	0%
2020	0%

Proposed Amendments to the Share Purchase Plan

The Board reserves the right to amend, modify or terminate the Share Purchase Plan at any time if and when it is advisable in the absolute discretion of the Board. Any amendment of the Share Purchase Plan which would materially (i) increase the benefits under the Share Purchase Plan; (ii) increase the number of Common Shares which would be issued under the Share Purchase Plan; or (iii) materially modify the requirements as to eligibility for participation in the Share Purchase Plan, will require approval of the shareholders of the Company. Any material amendment to any provision of the Share Purchase Plan will require approval of the TSX.

To better align with the insider participation limits as set forth in the TSX Company Manual and the Amended Plan, the Share Purchase Plan will be amended so that, except with the further approval of the shareholders of the Company given by the affirmative vote of a majority of the votes cast at a meeting of the shareholders of the Company, excluding the votes of insiders of the Company and such insider's associates, the number of Common Shares (i) issuable to insiders of the Company at any time; and (ii) issued to insiders of the Company within any one year period, pursuant to the Share Purchase Plan and the Company's other security based compensation arrangements will not exceed 10% of the outstanding issue. Such amendment is not material.

On March 30, 2023, the Board approved, subject to the approval of the shareholders of the Company and the approval of the TSX, an amendment to the Share Purchase Plan to increase the maximum contribution that employees can contribute thereunder of their gross annual salaries excluding any overtime pay, bonuses or allowances of any kind, from 5% to 7%. Accordingly, shareholder approval of such amendment will be sought at the Meeting, as more particularly described below under "Particulars of Other Matters to be Acted Upon – Approval of Amendment and Restatement of the Share Purchase Plan".

The purpose of the Share Purchase Plan (the "Plan") is to establish a Plan to advance the interests of Imperial Metals Corporation (the "Company") by encouraging certain employees of the Company and its subsidiaries to purchase Common shares of the Company.

2.0 THE PLAN

The Plan will be renewed on an annual basis at the Directors' sole discretion, such renewal to be approved no later than December 1 of the immediately preceding calendar year. The renewal of the Plan will be on the same terms and conditions as set out herein.

2.01 Participants

Participants in the Plan for any one calendar year will be full-time salaried employees of the Company or any of its subsidiaries who have been continuously employed by the Company or any of its subsidiaries for at least six consecutive months. The Board of Directors of the Company, upon recommendation of the President of the Company, shall have the right in its absolute discretion to waive such six month period or refuse any employee or group of employees the right of participation or continued participation in the Plan.

2.02 Election to Participate in the Plan and Participant's Contribution

Any Participant may elect to contribute money (the "Participant's Contribution") to the Plan in any calendar year, provided the Plan has been renewed by the Directors of the Company for that year, by delivering to the Company a written direction in form and substance as attached hereto as Exhibit "A":

- (a) authorizing the Company to deduct from the Participant's salary in equal installments the Participant's Contribution; and
- (b) directing the Company to register a municipal address specified by the Company as the Participant's address on the shareholders' register for any Shares issued to the Participant in accordance with the Plan.

If by December 1 of the immediately preceding calendar year, the employee has not been continuously employed by the Company or any of its subsidiaries for at least six consecutive months, then, in the month the employee becomes so employed, a Participant may elect to make a Participant's Contribution with respect to the balance of the calendar year commencing on the first day of the following month.

The Participant's Contribution shall not exceed ~~5~~7% of the Participant's basic annual salary from the Company and its subsidiaries at the time of delivery of the direction before any deductions, exclusive of any overtime pay, bonuses or allowances of any kind whatsoever (the "Basic Annual Salary"). In the case of any employee who becomes employed for six consecutive months during the year and delivers a direction at that time, Basic Annual Salary shall not exceed ~~5~~7% of the Participant's basic annual salary from the Company and its subsidiaries at the time of delivery of the direction prorated over the remainder of the calendar year before deductions, exclusive of any overtime pay, bonuses or allowances of any kind whatsoever.

No adjustments shall be made to the Participant's Contribution in any one calendar year. In order for the Participant's Contribution to continue, a new written direction shall have been delivered to the Company for such calendar year, provided that the Directors of the Company have authorized the renewal of the Plan for that calendar year.

The Participant's Contribution shall be held by the Company in trust for the purposes of the Plan.

2.03 Company's Contribution

Immediately prior to the date any Shares are issued or delivered to a Participant in accordance with section 2.05, the Company will credit the Participant with and thereafter hold in trust for the Participant an amount (the "Company's Contribution") equal to the Participant's Contribution then held in trust by the Company. The Company's contribution shall not exceed 400,000 Common shares in any calendar year and shall not exceed 2,000,000 Common shares in the aggregate.

Except with the further approval of the shareholders of the Company given by the affirmative vote of a majority of the votes cast at a meeting of the shareholders of the Company, excluding the votes of insiders of the Company and such insider's associates (such approval not being sought at the time of adoption of this Plan), the Company may not cause:

The Plan shall be effective upon the approval of the shareholders of the Company and it is subject to the approval of The Toronto Stock Exchange.

If the Shares cannot be issued or delivered to any Participant for whatever reason, the obligation of the Company to issue such Shares shall terminate and any Participant's Contribution held in trust for the Participant for that quarter shall be returned to the Participant without interest.

2.10 Compliance with Laws

The obligations of the Company to sell shares and deliver share certificates under the Plan are subject to such compliance by the Company and the Participants as the Company deems necessary or advisable with all applicable corporate and securities laws, rules and regulations and any regulatory bodies having jurisdiction over the securities of the Company.

2.11 Transferability

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable unless specifically provided herein. During the lifetime of a Participant, all benefits, rights and options shall only be exercised by the Participant.

2.12 Employment

Nothing contained in the Plan shall confer upon any Participant any right with respect to employment or continuance of employment with the Company or its subsidiaries, or interfere in any way with the right of the Company or its subsidiaries to terminate the Participant's employment at any time. Participation in the Plan by a Participant shall be voluntary.

2.13 No Further Rights

Nothing contained in the Plan shall give any Participant or any other person, any interest or title in or to any shares of the Company or any rights as a shareholder of the Company or any other legal or equitable right against the Company whatsoever other than as set forth in the Plan.

2.14 Rights of Participants

The Participants shall have no rights whatsoever as shareholders in respect of any of the Shares being purchased for a specific quarter (including without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering) other than the Shares which have been issued by the Company.

2.15 Shares

As used in the Plan, "Shares" means fully paid and non-assessable Common shares of the Company.

2.16 Third Party Offer

If at any time during the calendar year while the Plan is still in place, an offer to purchase all of the Common shares of the Company is made by a third party, the third party will honour the Plan of the Company to all the Participants of the Plan pursuant to clause 2.05.

2.17 Alterations in Shares

In the event of a stock dividend, subdivision, redivision, consolidation, share reclassification (other than pursuant to the Plan) amalgamation, merger, consolidation, corporate arrangement, reorganization, liquidation or the like of or by the Company, the Board of Directors may make such adjustment, if any, to the Company's Contribution or to the Participant's Contribution, or both, to be granted to the Participant under this Plan as it shall deem appropriate to give proper effect to such event pursuant to Section 2.18. If because of a proposed merger, amalgamation or other corporate arrangement or reorganization, the exchange or replacement of shares in the Company for those in another company is imminent, the Board of Directors, may, in a fair and equitable manner, determine the manner in which all unissued shares granted under the Plan for that quarter shall be treated. All

determinations of the Board of Directors under this paragraph shall be full and final.

2.18 Administration and Amendment of the Plan

The Plan shall be administered by the Board of Directors. The Board of Directors shall be authorized to interpret the Plan and may from time to time, establish, amend or rescind rules and regulations required for carrying out the Plan. Any such interpretation of the Plan shall be final and conclusive.

All administrative costs of the Plan shall be paid by the Company. The officers of the Company are authorized and directed to do all things and execute and deliver all instruments, undertakings and applications and writings as they in their absolute discretion consider necessary for the implementation of the Plan and of the rules and regulations established for administering the Plan.

The Board of Directors reserves the right to amend, modify or terminate the Plan at any time if and when it is advisable in the absolute discretion of the Board of Directors. However, any amendment of the Plan which would:

- (a) materially increase the benefits under the Plan;
- (b) materially increase the number of Shares which would be issued under the Plan; or
- (c) materially modify the requirements as to eligibility for participation in the Plan;

shall be effective only upon the approval of the shareholders of the Company. Any material amendment to any provision of the Plan shall be approved by any stock exchange or regulatory body having jurisdiction over the securities of the Company.
