

JOURNEYMAN INSTRUMENTATION & CONTROLS TECHNICIAN

The Red Chris mine is recruiting for a Journeyman Instrumentation & Controls Technician to join our Electrical Maintenance Department. This position is for work at the remote Red Chris mine located 80km south of Dease Lake, BC in Tahltan traditional territory. The successful applicant will be required to work and stay in camp during their shift rotation. We offer a number of designated flight marshalling points within BC. Qualified applicants from the local communities are encouraged to apply.

RESPONSIBILITIES

Reporting to the Electrical Supervisor responsibilities include, but are not limited to:

- Install, calibrate and maintain control and measurement instruments according to manufacturer's specifications and site specific regulations
- Perform maintenance, preventative maintenance and repairs of field instruments such as sensors, smart transmitters, programmable logic controllers, positioners, control valves radiation devices etc.
- Inspect and test instruments and systems to diagnose faults using test instruments such as multimeters, simulators, communicators, software etc.
- Calibrate components and instruments according to manufacturer specifications
- Prepare and submit regular feedback on work orders resulting from maintenance activities in an effort to improve maintenance plans, records and task lists
- Ensure compliance with all safety, quality, schedule, budget and security requirements
- Demonstrate continuous improvement to enhance operations, decrease turnaround times, and streamline work processes
- The mentorship and training of apprentices
- Other duties as required

QUALIFICATIONS AND EXPERIENCE

- Certificate of Qualification or Red Seal Interprovincial Certification in Instrument & Controls Technician
- Minimum of 2 years' related experience required, preferably in a mineral processing facility
- Valid Class 5 driver's license required
- Experience with Delta V control systems considered a distinct asset
- Ability to mentor and train apprentices
- Must have strong computer skills and knowledge of Microsoft Office applications with an aptitude for learning various computer systems, SAP experience considered a distinct asset
- Must be able to work with minimal supervision once familiar with requirements
- A team player that works well with others
- Strong oral and written communication skills

QUALIFIED APPLICANTS CAN SEND THEIR RESUME AND COVER LETTER IN MS WORD OR PDF FORMAT TO:

Red Chris Development Company - hr@redchrismine.ca

Please include position title in the subject line of email

Only applicants selected for an interview will be contacted
