

Engineering Department – Junior Mining Engineer/Engineer-in-Training

Mount Polley Mining Corporation (MPMC) has two positions available for permanent, full-time Junior Mining Engineer/ Engineer-in-Training. The work schedule will be seven (7) twelve (12) hour day shifts of work, Wednesday through Tuesday, followed by seven (7) days of rest.

Reporting to the Mine Operations Manager, the Junior Mining Engineer/Engineer-in-Training is responsible for providing technical expertise and assistance to the Technical Services Department in their efforts to achieve departmental and site objectives.

Job Description

Working with the mine engineering team, the Junior Mining Engineer/ Engineer-in-Training will hold a variety of responsibilities, including, but not limited to the following:

- Short-range open pit planning
- Site project planning and design
- Engineering modelling and design
- Modelling and analysis of production data
- Field recording and reporting

With safety as a core value, the Junior Mining Engineer/ Engineer-in-training will provide technical and operational expertise to the Company while becoming a valuable member of the Technical Services Department. The candidate will also be responsible for reporting on departmental progress, as well as identifying and developing continual improvement areas to support the needs of the operation.

Education and Qualifications

Requirements of the position:

- Bachelor's degree in Mine (or related) Engineering
- Fluent in English
- Valid driver's license

Assets:

- P. Eng designation or working towards a P.Eng designation
- Previous related mining experience, other combinations of education and experience may be considered
- Strong leadership, communication and organizational skills

Applicants will be considered for a level within the job progression that is appropriate to their qualifications.

We offer competitive compensation and benefits, hands-on training and professional development, and superior advancement potential.

Qualified individuals are invited to forward their resumes, including a cover letter to:

Mount Polley Mining Corporation
Human Resources Dept.
