

SITE SERVICES EQUIPMENT OPERATOR/LABOURER

The Red Chris mine has an opportunity within the Mill Maintenance Department for a Site Services Equipment Operator/Labourer. This position is for work at the remote Red Chris mine located 80 km south of Dease Lake, BC in Tahltan traditional territory. The successful applicant will be required to work and stay in camp during their shift rotation. We offer a number of designated flight marshalling points within BC. Qualified applicants from local communities are encouraged to apply.

RESPONSIBILITIES

Reporting to the Mill Maintenance supervisor responsibilities include, but are not limited to:

- Strong commitment and adherence to all Safety Policies and Procedures
- Operating equipment and general labour duties – you will be required to get in and out of the equipment regularly to assist the crew on the ground.
- Working closely with all departments equipment and facilities that are integral to the mine site
- Other duties as may be required including assisting Pipefitters as required

QUALIFICATIONS AND EXPERIENCE

- A minimum of 5 years' experience with Loader, Dozer and Excavator with strong finishing skills
- Must have experience to comfortably operate equipment around people on the ground
- Valid driver's license required
- A HEO Certificate is an asset
- Experience in mining operations is considered an asset
- Ability to perform tasks that require strength and stamina in extreme weather conditions
- Must be able to work with minimal supervision once familiar with requirements
- A team player that works well with others
- Strong oral and written communication skills

QUALIFIED APPLICANTS CAN SEND THEIR RESUME AND COVER LETTER IN MS WORD OR PDF FORMAT TO:

Red Chris Development Company - hr@redchrimine.ca

Please include position title in the subject line of email

Only applicants selected for an interview will be contacted
