

CYCLONE SAND DOZER OPERATOR

The Red Chris mine has opportunities within the TIA Department for Cyclone Sand Dozer Operator. This position is for work at the remote Red Chris mine located 80km south of Dease Lake, BC in Tahltan traditional territory. The successful applicant will be required to work and stay in camp during their shift rotation. We offer a number of designated flight marshalling points within BC. Qualified applicants from local communities are encouraged to apply.

RESPONSIBILITIES

Reporting to the Tailings Cyclone Sand Dam Supervisor, and working closely with the Operations and Environmental teams, the Cycloned Sand Dozer Operator is responsible for the construction, maintenance and surveillance of the project's 30,000 mtpd tailings impoundment facilities and associated water systems. Responsibilities include, but are not limited to:

- Promoting and participating in a safe work culture, following all site operating procedures
- Taking an active role in cycloned sand production for cycloned sand dam construction utilizing cell disposition methods
- Implement cycloned sand trials to optimize disposition methods and efficiency
- Assisting with the operation of the tailings Cycloned Sand Plant
- Assisting with gathering samples for geotechnical materials lab analysis (density, gradation, proctor, ABA testing)
- Operating dozers and excavators to construct cells and move pipes as required
- Assisting the Mill Maintenance Department with general maintenance work on cyclone towers and pipes
- Complete daily cyclone inspections using defined checklists
- Assist with tailings pond sampling programs
- Complete pipe thickness testing for tailings pipelines using NDT equipment
- Conduct dewatering activities including pump checks within the TIA
- Other duties as required

QUALIFICATIONS AND EXPERIENCE

- Minimum 3 years' experience operating heavy equipment such as D-8 track dozers and small excavators, preferably in mining or heavy civil earthworks construction
- Demonstrated previous experience working with cycloned sand tailings dam construction, operating cyclones and completing pipe work
- Valid Class 5 driver's license required
- Ability to use Microsoft Office and MS Outlook preferred, SAP experience a distinct asset
- Grade 12 Diploma or equivalent preferred
- Must be able to work with minimal supervision once familiar with requirements
- A team player that works well with others
- Strong oral and written communication skills

QUALIFIED APPLICANTS CAN SEND THEIR RESUME AND COVER LETTER IN MS WORD OR PDF FORMAT TO:

Red Chris Development Company - hr@redchrismine.ca

Please include position title in the subject line of email

Only applicants selected for an interview will be contacted
