

TAILINGS DAM SURVEY CONTROL TECHNICIAN- TEMPORARY

The Red Chris mine has a temporary opportunity within the TIA Department for a Tailings Dam Survey Control Technician. This position is for work at the remote Red Chris Mine located 80 km south of Dease Lake, BC, in Tahltan traditional territory. The successful applicant will be required to work and stay in camp during their shift rotation. We offer a number of designated flight marshalling points within BC. Qualified applicants from the local communities are encouraged to apply.

Reporting to the Tailings Facilities Project Manager, the Tailings Dam Survey Control Technician is responsible for ensuring that the construction, maintenance and surveillance of the projects 30,000 mtpd tailings impoundment facilities meet the specifications of their design. Working closely with the Operations and Environmental teams, as well as the Engineer of Record, you will participate as part of a team performing all aspects of field surveying.

PRIMARY RESPONSIBILITIES

- Strong commitment and adherence to all Safety Policies and Procedures
- Conducting bi-weekly piezometer readings, inputting data into spreadsheets, reporting
- Site Investigation for the tailings impoundment systems
- Drilling and test pit programs
- Tailings pond sampling programs
- Pipe thickness monitoring programs
- Survey and GPS field work
- Ongoing data and materials management
- Mapping

QUALIFICATIONS AND EXPERIENCE

- Mining Technology Diploma or similar combination of experience/training
- 2-5 years industry experience, preferably mining or heavy civil earthworks construction
- Experience with geotechnical materials sampling, lab and field quality control testing methods
- QA/QC experience for large earthworks projects would be considered an asset
- Demonstrated knowledge of geotechnical materials testing, hydrogeology, surveying and mineral processing
- Strong computer skills, familiar with MineSight 3D modeling software, ArcGIS, SAP, MS Office, MS Project, Excel, MS access skills would be desirable
