

JOURNEYMAN HEAVY DUTY MECHANICS

The Red Chris mine is recruiting for two Journeyman Heavy Duty Mechanics to join our Mobile Maintenance Department. This position is for work at the remote Red Chris mine located 80km south of Dease Lake, BC in Tahltan traditional territory. The successful applicant will be required to work and stay in camp during their shift rotation. We offer a number of designated flight marshalling points within BC. Qualified applicants from the local communities are encouraged to apply.

RESPONSIBILITIES

Reporting to the Mine Maintenance Foreman, responsibilities include, but are not limited to:

- Diagnose and complete repairs on all company mobile equipment
- Demonstrate continuous effort to improve operations, decrease turnaround times, and streamline work processes
- Perform daily safety and maintenance checks
- Ability to work in an outdoor environment
- Mentor apprentices and PM Servicemen
- Use computer to input timesheets, materials, equipment information and work orders
- Practice workplace safety

QUALIFICATIONS AND EXPERIENCE

- BC Interprovincial or Red Seal Interprovincial trade qualification in Heavy Duty Mechanics
- Valid driver's license
- Minimum 3 years direct open pit mining mechanical maintenance, drill & shovel experience is required
- Demonstrable knowledge in SIS, My Komatsu and Hitachi service programs
- Extensive knowledge w Hitachi 3600, P&H 2800 Shovels, Komatsu PC2000, Cat Haul Trucks, 351 Drill Viper, and 780 Atlas Copco Drills a distinct asset
- We are looking for senior technicians to help lead and mentor our workforce – this is not an entry position
- Preference given to lead-hand and supervisory experience for both scheduled and unscheduled shut downs on equipment
- Strong oral and written communication skills
- Grade 12 preferred
