

MILL OPERATORS – CONTROL ROOM OPERATOR

The Red Chris mine has an opportunity within the Mill Operations Department. This position is for work at the remote Red Chris mine located 80 km south of Dease Lake, BC in Tahltan traditional territory. The successful applicant will be required to work and stay in camp during their shift rotation. We offer a number of designated flight marshalling points within BC. Qualified applicants from local communities are encouraged to apply.

The mill (concentrator) is a 30,000 tonne per day plant that produces a bulk copper concentrate using the following unit processes and equipment:

- Gyratory Crusher
- Semi-Autogenous (SAG) and Ball Mill Primary Grinding
- Pebble Crusher (Metso HP 800 cone)
- Tank and Column Cell Flotation
- Ball Mill and Verti-Mill secondary regrinding
- Concentrate Dewatering using a Thickener and Pressure Filter followed by Tailings Disposal.

We are accepting applications for a Control Room Operator. The work is at a remote camp and the successful applicants will be required to work and stay in camp on a rotational basis.

QUALIFICATIONS AND EXPERIENCE

Reporting to the Mill Shift Supervisor responsibilities include, but are not limited to:

- A minimum of 5 years related experience in above described operating position utilizing DCS process control and must be familiar with Semi-Autogenous Grinding
- Valid drivers license
- Demonstrate effective safety leadership within a team environment and promote environmental awareness in all work or task related duties
- Operate SAG/Ball Mill circuit at maximum operating capacity while achieving target grind
- Observe process parameters and provide clear communication and direction to plant operations personnel to ensure safe and efficient operation.
- Monitor equipment operating parameters to detect malfunctions and notify supervisors of needed repairs and unsafe conditions
- Ensure record keeping and data is kept current from operations, testing, and production on specified forms
- Ensure housekeeping and cleanliness is maintained in all areas of responsibility
- Excellent work ethics and ability to accept responsibility for his/her actions
- Ability to communicate effectively, verbally and in writing

QUALIFIED APPLICANTS CAN SEND THEIR RESUME AND COVER LETTER IN MS WORD OR PDF FORMAT TO:

Red Chris Development Company - hr@redchrimine.ca

[Please include position title in the subject line of email](#)

Only applicants selected for an interview will be contacted
