

MILL OPERATORS

The Red Chris mine is recruiting Mill Operators to join our Mill Operations Department. This position is for work at the remote Red Chris mine located 80 km south of Dease Lake, BC, in Tahltan traditional territory. The successful applicant will be required to work and stay in camp during their shift rotation. We offer a number of designated flight marshalling points within BC. Qualified applicants from the local communities are encouraged to apply.

The mill (concentrator) is a 30,000 tonne per day plant that produces a bulk copper concentrate using the following unit processes and equipment:

- Gyratory Crusher.
- Semi-Autogenous (SAG) and Ball Mill Primary Grinding.
- Tank and Column Cell Flotation.
- Ball Mill and Verti-Mill secondary regrinding.
- Concentrate Dewatering using a Thickener and Pressure Filter followed by tailings disposal.

We are accepting applications for Control Room Operator, Flotation Operator, Grinding Operator, Dewatering Operator and Crusher Operator.
